## Hand Protection Specialists

# WHO ARE WE

Polyco Healthline combines the 85 years' expertise of two legacy businesses, who provide protection and hygiene products and services in the workplace and home.

Our wide range and quality products, including reusable and disposable gloves, workwear and bags, is trusted and used by multiple sectors throughout UK and overseas.

From our state-of-the-art warehouse and laboratory testing facility in Lincolnshire, our expert teams drive research & development and maintain logistics and customer service levels to ensure just-in-time supply.

Designing, sourcing, licensing and selling products, we optimise every step across the global supply chain. We innovate in partnership with commercially-minded businesses to overcome their biggest challenges ensuring a safer and compliant environment.

Together, we are the Masters in Safe and Clean.

## Matrix® P Grip

Seamless knitted liner with polyurethane palm coating

### Features

Offers good abrasion and tear resistance  
Seamless knitted liner for extra comfort  
Open back style allows the hands to breathe keeping them cool and comfortable  
Close fitting design for maximum dexterity  
Elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris  
Available in three colours: grey, black and white

Code	40-MAT	30-MAT	20-MAT
Colour	Black	Grey	White
Sizes	6-11	6-10	6-10

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics

### Packing

1 pair per polybag / 144 pairs per case

## Polyflex® Ultra

Seamless knitted nylon liner with foamed palm coating made from a blend of polyurethane and nitrile

### Features

Grip: The foamed coating utilises a blend of polyurethane and nitrile increasing resistance to oils and maximising grip, especially in wet and oily conditions  
Durable: Combines the resilient and hard-wearing properties of polyurethane with the strength of nitrile to deliver excellent abrasion protection, durability and a long life expectancy  
Comfort: The soft seamless knitted nylon liner and highly flexible coating ensures ultimate comfort and allows for long periods of wear without any signs of hand fatigue  
Knit Wrist: Elasticated knit wrist ensures a secure fit and keeps hands free from dust and debris

Code	911
Colour	Red/Black
Sizes	6-11

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

10 pairs per polybag / 60 pairs per case

Reusable Gloves

## Matrix® F Grip (Fully Coated)

Seamless knitted nylon glove with a foamed nitrile coating

### Features

- Seamless breathable liner for comfort
- Foamed nitrile coating channels liquids away from glove surface, ensuring excellent grip in wet conditions
- Elasticated knit wrist provides a secure fit

Code	1-MAT
Colour	White/Black
Sizes	7-11

### Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

1 pair per polybag / 144 pairs per case

## Matrix® F Grip (Palm Coated)

Seamless knitted liner with a foamed nitrile coating

### Features

- Seamless breathable liner for comfort
- Foamed nitrile coating channels liquids away from glove surface, ensuring excellent grip in wet conditions
- Elasticated knit wrist provides a secure fit

Code	10-MAT
Colour	White/Grey
Sizes	6-11

### Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

1 pair per polybag / 144 pairs per case

## Polyflex® Grip

Seamless nylon glove with foamed nitrile dotted palm coating

### Features

- Grip: The foamed nitrile coating channels oils and liquids away from the surface, ensuring superb wet grip
- Nitrile Dots: Nitrile dots on the palm coating provides extra wet and dry grip
- Durable: Coating offers outstanding abrasion resistance for longevity and durability
- Comfort: The seamless knitted nylon liner offers excellent breathability, comfort and a close fit
- Knit Wrist: Elasticated knit wrist provides a secure fit and keeps hands free from dirt and debris

Code	800GR
Colour	Grey/Black
Sizes	7-11

### Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

12 pairs per polybag / 120 pairs per case

## Polyflex® Plus

Seamless nylon glove with foamed nitrile palm coating

### Features

- Grip: The foamed nitrile coating channels oils and liquids away from the surface, ensuring superb wet grip
- Durable: Coating offers outstanding abrasion resistance for longevity and durability
- Comfort: The seamless nylon liner offers excellent breathability, comfort and a close fit
- Header Card: Also available on a header card for easy display and allowing for lower order quantities

Code	800
Colour	Grey/Black
Sizes	7-11

### Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

12 pairs per polybag / 120 pairs per case

Reusable Gloves

General Handling

# Matrix® Mechanics

Mechanics style glove made with a blend of synthetic leathers

## Features

- Reinforced palm grip patches and Neoprene on the knuckles for extra protection
- Spandex on the back of the hand offers excellent in-use comfort
- Adjustable Velcro wrist strap for a secure fit
- Three open fingers for maximum dexterity and touch screen functionality
- Also available on a header card for easy display and allowing for lower order quantities

Code	MAT-M3
Colour	Black/Grey
Sizes	7-11

## Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Waste Management and Local authority

## Packing

1 pair per polybag / 10 pairs per case

# Multi-Task 3™ / Multi-Task 5™

Blend of synthetic leathers with PVC reinforced fingertips, inner palm and three or five open fingers

## Features

- Flexible: Close fitting design ensures maximum user dexterity and touch screen functionality
- Comfortable: Combination of materials offers excellent in-use comfort
- Stretch: Materials flex in conjunction with the hand's natural movement
- Protection: Reinforced areas on palm and finger tips ensure added protection in key areas
- Fit: Adjustable Velcro wrist strap for a secure fit

Code	MT3	MT5
Colour	Black/Grey	Black/Grey
Sizes	7-11	7-11

## Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Waste Management and Local authority

## Packing

1 pair per polybag / 10 pairs per case

# Dyflex® Plus N

Lightweight high cut resistant glove with foamed nitrile coating and thumb crotch reinforcement

## Features

- Performance: The remarkably lightweight liner provides excellent levels of cut, abrasion and tear resistance providing superb mechanical protection
- Reinforced Crotch: Flat nitrile reinforcement between the thumb and forefinger offers additional protection in an area that is highly susceptible to wear and tear
- Grip: Foamed nitrile palm coating channels oils and liquids away from the surface of the glove to optimise grip and allow safe handling at all times
- Comfort: The seamless breathable liner and highly flexible palm coating ensure a high level of comfort even in prolonged use
- Dexterity: The glove has been designed to be close fitting to provide greater dexterity
- Durable: Maximum abrasion resistance and reinforced thumb crotch increase durability and ensure longevity
- Knit Wrist: Elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris

Code	DPN
Colour	Grey/Blue
Sizes	7-11

## Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics

## Packing

1 pair per polybag / 40 pairs per case

# Dyflex® Ultra

Seamless knitted glove with Dyneema Diamond Technology and polyurethane palm coating

## Features

- Cut Resistant: The liner, made with Dyneema® Diamond Technology, provides the maximum level of cut resistance without the use of abrasive materials
- Grip: Polyurethane palm coating provides outstanding abrasion resistance and an excellent grip
- Comfort: The seamless construction of the soft yarn provides an exceptional level of comfort, whilst the open back style allows for excellent breathability
- Dexterity: Designed to be close fitting to give maximum dexterity for the most tactile of operations
- Knit Wrist: Elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris

Code	DFU
Colour	Grey
Sizes	6-11

## Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Oil and Gas • Warehousing, Transport and Logistics • Waste Management and Local authority

## Packing

1 pair per polybag / 48 pairs per case

# Grip It® Oil

Seamless knitted nylon liner with dual nitrile coating

## Features

**Handling:** Providing ultimate abrasion protection and gripping ability. Utilising two layers of nitrile; fully coating the hand and the second coating the palm

**Durable:** Delivers excellent abrasion protection, durability and a long life expectancy

**Comfort:** The contoured design together with the soft seamless knitted nylon liner and resilient nitrile coating ensures ultimate comfort

**Knit Wrist:** Elasticated knitted wrist ensures a secure fit and keeps hands free from dust and debris

Code	GIO
Colour	Red/Black
Sizes	7-11

## Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Waste Management and Local authority

## Packing

10 pairs per polybag / 60 pairs per case

# Grip It® Oil C3

Seamless knitted cut resistant liner with dual nitrile coating

## Features

**Protection:** Liner is made from a combination of HPPE (high performance polyethylene) and glass fibre offering good resistance to mechanical hazards

**Handling:** Providing ultimate abrasion protection and gripping ability. Utilising two layers of nitrile; the first layer fully coated and the second palm coated

**Durable:** Delivers excellent protection, durability and a long life expectancy

**Comfort:** The soft seamless knitted liner has a resilient nitrile coating ensuring ultimate comfort with minimal hand fatigue in prolonged use

**Knit Wrist:** Elasticated wrist for secure fit and protection from debris

Code	GIOK3
Colour	Orange/Black
Sizes	7-11

## Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Waste Management and Local authority

## Packing

10 pairs per polybag / 60 pairs per case

# Grip It® Oil C5

High visibility seamless cut resistant liner with a dual nitrile coating

## Features

**Protection:** Made from a combination of HPPE (high performance polyethylene) and glass fibre, the liner attains excellent EN388 scores in all categories

**Handling:** Providing ultimate abrasion protection and gripping ability. Utilising two layers of nitrile; the first layer fully coated and the second palm coated

**Durable:** Delivers excellent protection, durability and a long life expectancy

**Comfort:** The contoured design together with the soft seamless knitted liner and resilient nitrile coating ensures ultimate comfort with minimal hand fatigue in prolonged use

**High Visibility:** High visibility colour scheme increases visual awareness

**Knit Wrist:** Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

Code	GIOK
Colour	Green/Black
Sizes	7-11

## Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Waste Management and Local authority

## Packing

1 pair per polybag / 60 pairs per case

# Grip It® Oil Therm C5

Seamless knitted nylon cut resistant liner with a dual nitrile coating and fleecy liner

## Features

**Protection:** Made from a combination of HPPE (high performance polyethylene) and glass fibre, the liner attains excellent EN388 scores in all categories

**Handling:** Utilises two layers of nitrile coating to provide ultimate abrasion protection and gripping ability. The first layer which is a full coating is soft and resilient allowing for excellent dexterity. The second layer which is a palm coating, is infused with microfoam bubbles increasing resistance to oils and maximising grip

**Durable:** Delivers excellent abrasion protection, durability and a long life expectancy

**Fleecy Liner:** Provides exceptional warmth and comfort

Code	GIOTHK5
Colour	Blue/Black
Sizes	7-11

## Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Warehousing, Transport and Logistics

## Packing

10 pairs per polybag / 60 pairs per case

## Daytona™ & Daytona Plus™

Drivers style high grade leather glove

### Features

- Good abrasion, tear and puncture resistance
- Elasticated safety cuff holds glove in place and ensures a secure fit
- Fleece lining for extra comfort and warmth
- Soft high grade leather is comfortable and provides excellent grip
- Natural Grain Leather ( DR100), Pigmented grain for extra water resistance (DR200)

Code	DR100	DR200
Colour	Yellow	Yellow
Sizes	8-10	8-11

### Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Waste Management and Local authority

### Packing

1 pair per polybag / 50 pairs per case

## Imola®

Drivers style glove made with a full micro-foam nitrile coating and a soft fleecy liner

### Features

- Style: This unique glove has the look and style of a conventional leather drivers glove but is considerably lighter in weight, more dexterous and more competitively priced.
- Coating: The 360 micro-foam coating is consistently thinner and more flexible than traditional foam nitrile yet offers improved mechanical performance.
- Grip: As well as an excellent dry grip, the micro foam coating offers optimum wet grip by channelling liquids away from the glove surface.
- Comfort: The soft fleecy lining keeps the hands warm and comfortable at all times.
- Durability: Delivers excellent abrasion protection, durability and a long life expectancy.
- Fit: Adjustable Velcro wrist strap ensures a secure fit and helps to keep hands free from dust and debris.

Code	DR300
Colour	Gold
Sizes	7-11

### Sectors:

- Automotive • Construction & Utility • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

1 pair per polybag / 50 pairs per case

## Matrix® S Grip

Seamless polycotton shell with crinkle latex palm coating

### Features

- Flexible crinkle latex palm coating for good wet and dry grip
- Seamless, breathable polycotton liner for comfort
- Elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris
- Available in two colour combinations: Yellow/green and yellow/orange

Code	60-MAT	50-MAT
Colour	Yellow/Green	Yellow/Orange
Sizes	8-10	8-10

### Sectors:

- Automotive • Construction & Utility • Warehousing, Transport and Logistics

### Packing

1 pair per polybag / 144 pairs per case

## Reflex® T

Seamless knitted polycotton liner with crinkle latex coating

### Features

- Grip: Crinkle latex palm coating is highly resilient and provides excellent grip in both wet and dry conditions
- Comfort: The seamless knitted polycotton liner is breathable and comfortable reducing hand fatigue
- Durable: Offers excellent tear resistance and good abrasion and puncture resistance
- Colours: Available as a yellow liner with a green or orange palm coating
- Header Card: Also available on a header card for easy display and allowing for lower order quantities (Reflex T orange only)

Code	860T	861T
Colour	Yellow/Orange	Yellow/Green
Sizes	7-10	7-10

### Sectors:

- Automotive • Construction & Utility • Warehousing, Transport and Logistics • Waste Management and Local authority

### Packing

1 pair per polybag / 120 pairs per case

## Tigmaster™

Sheepskin / leather welding gauntlet

### Features

Materials: Sheepskin palm (0.8mm) with heavy duty leather cuff (1.0mm)

Welding: Specifically designed for type B (Tig welding) and light mechanical handling

Compliant: With EN12477 - Welding Standard

Code	LMW124
Colour	Grey
Sizes	8-9

EN12477:2001+A1:2005 Type B

### Sectors:

• Automotive • Engineering and Manufacturing • Construction & Utility

### Packing

1 pair per polybag / 100 pairs per case

## Weldmaster™

Premium quality chrome leather welding gauntlet

### Features

Protection: Welled seams protect against thermal and mechanical discharge

Thermal Lining: Thermal lining improves comfort and contact heat protection

Design: Specifically designed for type A (Mig/ Arc welding) and light mechanical handling

Compliant: Compliant with BS EN 12477 - Welding Standard

Code	LW93
Colour	Red
Sizes	9

### Sectors:

• Automotive • Engineering and Manufacturing • Construction & Utility

### Packing

10 pairs per polybag / 30 pairs per case

## Electricians Gloves™

Latex insulating glove

### Features

Latex Material: Excellent electrical resistance

Anatomical Shape: For greater user comfort

### Sectors:

• Automotive • Construction & Utility  
• Engineering and Manufacturing

### Packing

1 pair per bag

## Electricians Glove Bag

Canvas bag for Electricians Gloves

**Features**

Designed to store and carry Electricians Gloves  
Protects gloves when not in use which prolongs performance  
Velcro fastening ensures that gloves remain safe and secure inside the bag  
Strap with buckle makes it easy to carry and attach

**Sectors:**

- Construction & Utility

Code	REBAG
Colour	Black
Sizes	One size

**Sectors:**

- Automotive • Engineering and Manufacturing • Construction & Utility

**Packing**

1 bag per polybag

## Electricians Leather Protector Gauntlet

Leather gauntlet over-glove

**Features**

Designed to be worn over Electricians Gloves  
Provides additional mechanical protection  
Offers a higher level of grip  
Protects in dirty or oily environments  
Extends the lifespan of Electricians Gloves  
Available with or without a buckle

Code	RE-PRO (with buckle)	RE-PRO/NB (without buckle)
Colour	Grey	Grey
Sizes	8-13	8-11

**Sectors:**

- Automotive • Engineering and Manufacturing • Construction & Utility

**Packing**

1 pair per bag

## Nitri-Tech III® (Flock Lined) (33cm)

Nitrile synthetic rubber glove

**Features**

Performance: Offers very good abrasion and puncture resistance and protection against a wide range of chemicals including strong detergents, oils and certain solvents  
Durable: Achieves an excellent abrasion score as defined by European Standard EN388  
Comfort: Anatomically shaped ensuring comfort and reducing hand fatigue  
Good Grip: Non-slip diamond pattern on the palm of glove enhances grip  
Flock Lined: Soft cotton flock lining eases wear and removal, and absorbs perspiration keeping hands cool and comfortable  
Anti-Static Properties: Meets EN1149

Code	92	94
Colour	Green	Blue
Sizes	7-10	7-10

**Sectors:**

- Automotive • Food Manufacturing and Prep • Janitorial

**Packing**

12 pairs per polybag / 48 pairs per case

## Matrix® Nitri-Chem

Nitrile synthetic rubber glove - flock lined

**Features**

Provides good protection against a wide range of chemicals  
Offers good abrasion resistance and mechanical protection  
Soft flock lining absorbs perspiration keeping hands dry, cool and comfortable  
The diamond grip pattern on the palm enhances grip  
Anatomical shape reduces hand fatigue in prolonged use

Code	27-MAT
Colour	Green
Sizes	7-10

**Sectors:**

- Automotive • Food Manufacturing and Prep • Janitorial

**Packing**

12 pairs per polybag / 144 pairs per case

## Jet™ (31cm)

Heavy duty natural rubber flock lined glove

**Features**

Provides protection against a wide range of chemicals and cleaning agents  
Unlined for easy donning, and also allows for an under glove to be worn for added comfort  
Offers good resistance to abrasion hazards

**Sectors:**

- Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Oil and gas • Waste Management and Local authority

Code	52
Colour	Black
Sizes	6.5-9.5

**Packing**

12 pairs per polybag / 48 pairs per case

## Finite® Blue HD Long Cuff

Blue nitrile powder free disposable glove with an extra long cuff

### Features

Versatile: Thicker than a standard disposable, it offers the choice of use as a heavy duty disposable glove or a lightweight re-usable glove  
Strength: Superior strength nitrile formulation provides exceptional resistance to tears and punctures even in the toughest environments  
Grip: Textured fingertips provide an improved grip and optimise surface performance in both wet and dry conditions  
Long Cuff: 31cm cuff for extra protection

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Food Manufacturing and Prep • Janitorial • Oil and Gas • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GL300
Colour	Blue
Sizes	S-XXL

### Packing

50 gloves per dispenser / 10 dispensers per case

## Finite® Orange HD

Orange nitrile powder free disposable glove

### Features

Versatile: Thicker than a standard disposable, it offers the choice of use as a heavy duty disposable glove or a lightweight re-usable glove  
Grip Pattern: Features a diamond grip pattern over the entire glove which optimises surface performance and ensures an exceptional grip  
Strength: Superior strength nitrile formulation provides exceptional resistance to tears and punctures even in the toughest environments  
Sensitive Skin: No latex proteins - eliminates protein sensitisation

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Food Manufacturing and Prep • Janitorial • Oil and Gas • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GL200
Colour	Orange
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## Finite® Black

Black nitrile powder free disposable glove

### Features

Versatile: Thicker than a standard disposable, it offers the choice of use as a heavy duty disposable glove or a lightweight re-usable glove  
Grip Pattern: Features a diamond grip pattern over the entire glove which optimises surface performance and ensures an exceptional grip  
Strength: Superior strength nitrile formulation provides exceptional resistance to tears and punctures even in the toughest environments  
Sensitive Skin: No latex proteins - eliminates protein sensitisation

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Food Manufacturing and Prep • Janitorial • Oil and Gas • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GL100
Colour	Black
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## Finite® HD

Blue nitrile powder free disposable glove

**Packing**  
50 gloves per dispenser / 10 dispensers per case

## Finite® PF

Blue nitrile powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Finite® Green (Powder Free)

Green nitrile powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

### Features

Versatile: Thicker than a standard disposable, it offers the choice of use as a heavy duty disposable glove or a lightweight re-usable glove  
Strength: The unique nitrile formulation maintains a tensile strength that is able to withstand the rigours of continuous use, and yet is soft, pliable and sensitive enough for use as a disposable  
Grip: Textured fingertips provide an improved grip and optimise surface performance in both wet and dry conditions  
Powder Free: Minimises particulate contamination where product protection is of paramount importance  
Sensitive Skin: No latex proteins - eliminates protein sensitisation  
Long Cuff: 30cm cuff for extra protection

### Sectors:

• Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Oil and Gas • Waste Management and Local authority

Code	FHD50
Colour	Blue
Sizes	S-XL

## FNB100 Black Nitrile™

Black nitrile powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## GL897 Black Nitrile™

Black nitrile powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## GN39

Black latex powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

### Features

Strength: Synthetic rubber offer better puncture and abrasion resistance than natural rubber or vinyl  
Comfort: Soft elastic material feels cooler and is more comfortable and flexible to wear  
Sensitive Skin: No latex proteins - eliminates protein sensitisation

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty

Code	FNB100
Colour	Black
Sizes	XS-XL

### Features

Strength: Synthetic rubber offers better puncture and abrasion resistance than natural rubber or vinyl  
Comfort: Soft elastic material feels cooler and is more comfortable and flexible to wear  
Sensitive Skin: No latex proteins - eliminates protein sensitisation  
Powder Free: Reduces the risk of product contamination  
Grip: Textured fingertips for improved grip

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty

Code	GL897
Colour	Black
Sizes	S-XL

### Features

Manufactured from: Natural rubber latex  
Flexible material: for improved feel and fit reducing fatigue during extended wear  
Chlorinated: To reduce latex protein content  
Powder free: Reduces the risk of dust contamination  
Textured finish: For improved grip

### Sectors:

• Automotive • Construction & Utility • Food Manufacturing and Prep • Janitorial • Hair and Beauty • Waste Management and Local authority

Code	GN39
Colour	Black
Sizes	S-XL

## GL890 Blue Nitrile™

Blue nitrile powder free disposable glove

### Features

- Sensitive Skin: No latex proteins - eliminates protein sensitisation
- Strength: Synthetic rubber offers better puncture and abrasion resistance than natural rubber or vinyl
- Comfort: Soft elastic material feels cooler and is more comfortable and flexible to wear
- Powder Free: Reduces risk of product contamination
- Grip: Textured fingertips for improved grip

### Sectors:

- Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GL890
Colour	Blue
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## GL895 Blue Nitrile PF™

Blue nitrile powder free disposable glove

### Features

- Protects against contamination, dirt and potential irritants in low risk situations
- Powder free, reducing the risk of product contamination
- Textured fingertips for extra grip
- AQL 4.0

### Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Hair and Beauty

Code	GL895
Colour	Blue
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## GL891 Blue Nitrile Long Cuff™

Blue nitrile powder free disposable glove with a long cuff

### Features

- Sensitive Skin: No latex proteins - eliminates protein sensitisation
- Comfort: Soft elastic material feels cooler and is more comfortable and flexible to wear
- Powder Free: Reduces risk of product contamination
- Grip: Textured fingertips for improved grip
- Long Cuff: 30cm cuff for extra protection
- Antistatic properties

### Sectors:

- Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Medical, Vet, Dental, Pharmaceutical

Code	GL891
Colour	Blue
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## GN99

Blue nitrile powder free 9 newton disposable glove

### Features

- Manufactured from: Specially formulated nitrile butadiene polymer
- Latex free: reducing the risk of hypersensitivity and allergic reactions
- Low in residual chemicals: To reduce the risk of contact dermatitis associated with these chemicals
- Flexible material: For improved feel and fit reducing fatigue during extended wear
- Strength: Offers better puncture, tear and abrasion resistance than natural rubber or vinyl
- Powder free: Reduces the risk of dust contamination
- Versatile: Thicker than a standard disposable

### Sectors:

- Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Waste Management and Local authority

Code	GN99
Colour	Blue
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## GD21

Blue nitrile powder free disposable glove

### Features

- Manufactured from: Nitrile butadiene
- Latex free: reducing the risk of hypersensitivity and allergic reactions
- Low in residual chemicals: To reduce the risk of contact dermatitis associated with these chemicals
- Flexible material: For improved feel and fit reducing fatigue during extended wear
- Strength: Offers better puncture, tear and abrasion resistance than natural rubber or vinyl
- Powder free: Reduces the risk of dust contamination
- Textured finish: For improved grip

### Sectors:

- Automotive • Engineering and Manufacturing • Janitorial • Oil and Gas • Warehousing, Transport and Logistics

Code	GD21
Colour	Blue
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

## GD19

Blue nitrile powder free disposable glove

### Features

- Manufactured from: Nitrile butadiene
- Latex free: reducing the risk of hypersensitivity and allergic reactions
- Low in residual chemicals: To reduce the risk of contact dermatitis associated with these chemicals
- Flexible material: For improved feel and fit reducing fatigue during extended wear
- Strength: Offers better puncture, tear and abrasion resistance than natural rubber or vinyl
- Powder free: Reduces the risk of dust contamination
- Textured finish: For improved grip

### Sectors:

- Automotive • Construction & Utility • Food Manufacturing and Prep • Janitorial • Oil and Gas • Waste Management and Local authority

Code	GD19
Colour	Blue
Sizes	S-XL

### Packing

100 gloves per dispenser / 10 dispensers per case

# GN560

Pink nitrile powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Features

- Manufactured from: Nitrile butadiene
- Latex free: reducing the risk of hypersensitivity and allergic reactions
- Low in residual chemicals: To reduce the risk of contact dermatitis associated with these chemicals
- Strength: Offers better puncture, tear and abrasion resistance than natural rubber or vinyl
- Powder free: Reduces the risk of dust contamination
- Textured finish: For improved grip

## Sectors:

- Automotive • Food Manufacturing and Prep • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Waste Management and Local authority

Code	GN560
Colour	Pink
Sizes	S-L

# GN85

Violet nitrile powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Features

- Manufactured from: Specially formulated nitrile butadiene polymer
- Accelerator Free: removing the risk of contact dermatitis caused by these chemicals
- Latex free: Reducing the risk of hypersensitivity and allergic reactions
- Strength: Offers better puncture, tear and abrasion resistance than natural rubber or vinyl
- Powder free: Reduces the risk of dust contamination
- Textured finish: For improved grip

## Sectors:

- Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Waste Management and Local authority

Code	GN85
Colour	Violet
Sizes	S-XL

# GL663 VitriLe®

Green nitrile and vinyl blend powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Features

- VitriLe: Manufactured from a blend of nitrile and vinyl
- Comfort: Nitrile/vinyl combination makes the glove comfortable and flexible to wear
- Strength: Provides good barrier protection
- Powder Free: Reduces the risk of product contamination.
- Rolled Cuff: For additional strength and prevention of liquid roll back

## Sectors:

- Automotive • Food Manufacturing and Prep • Medical, Vet, Dental, Pharmaceutical

Code	GL663
Colour	Green
Sizes	S-XL

# GL880 Original Latex™

Natural latex powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Features

- Tactile: Provides maximum dexterity, sensitivity and comfort
- Strong: Made from natural latex
- Surface: Double-chlorinated to provide a smooth surface
- Powder Free: Low particle count reduces the risk of product contamination

## Sectors:

- Automotive • Construction & Utility

Code	GL880
Colour	Natural
Sizes	XS-XL

# GL888 Latex PF™

Natural latex powder free disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Features

- Offers protection against contamination, dirt and potential irritants in low risk situations
- Provides maximum dexterity, sensitivity and comfort
- Powder free, reducing the risk of product contamination
- Made from natural latex
- Textured finish for improved grip
- AQL 4.0

## Sectors:

- Automotive • Construction & Utility

Code	GL888
Colour	Natural
Sizes	S-XL

# GL818 Latex Powdered™

White latex powdered disposable glove

**Packing**  
100 gloves per dispenser / 10 dispensers per case

## Features

- Offers protection against contamination, dirt and potential irritants in low risk situations
- Provides maximum dexterity, sensitivity and comfort
- Lightly powdered for easy donning and sweat absorption
- Made from natural latex
- Textured finish for improved grip
- AQL 4.0

## Sectors:

- Automotive • Construction & Utility

Code	GL818
Colour	White
Sizes	S-XL

## GL621 Clear Vinyl PF™

Clear vinyl powder free disposable glove

### Packing

100 gloves per dispenser / 10 dispensers per case

## GL622 Clear Vinyl PF™

Clear vinyl powder free disposable glove

### Packing

100 gloves per dispenser / 10 dispensers per case

## Finesse®

Clear vinyl powdered disposable glove

### Packing

100 gloves per dispenser / 10 dispensers per case

### Features

Sensitive Skin: No latex proteins – eliminates protein sensitisation  
Powder Free: Low particle count reduces the risk of product contamination

### Sectors:

• Automotive • Food Manufacturing and Prep • Medical, Vet, Dental, Pharmaceutical

Code	GL621
Colour	Clear
Sizes	XS-XL

### Features

Sensitive Skin: No latex proteins - eliminates protein sensitisation  
Comfort: The soft vinyl formulation provides greater comfort and is more flexible and dextrous to wear  
Powder Free: Minimises particulate contamination where product protection is of paramount importance

### Sectors:

• Automotive • Food Manufacturing and Prep

Code	GL622
Colour	Clear
Sizes	S-XL

### Features

Strong: Extra fine without compromising on strength  
Sensitive Skin: No latex proteins - eliminates protein sensitisation  
Low Powder: Vegetable starch powdering on inside of glove eases donning and absorbs perspiration  
Comfort: Soft vinyl formulation gives greater comfort and is more flexible and dextrous to use  
Anti-static Properties

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Janitorial • Oil and Gas • Warehousing, Transport and Logistics

Code	VE100
Colour	Clear
Sizes	S-XL

## GL843 Blue Vinyl PF™

Blue vinyl powder free disposable glove

### Packing

100 gloves per dispenser / 10 dispensers per case

## GD52

Clear polythene disposable glove

### Packing

100 gloves per dispenser / 100 dispensers per case

## GD55

Clear polythene disposable glove boxed

### Packing

100 gloves per dispenser / 100 dispensers per case

### Features

Sensitive Skin: No latex proteins - eliminates protein sensitisation  
Comfort: The soft vinyl formulation provides greater comfort and is more flexible and dextrous to wear  
Powder Free: Minimises particulate contamination where product protection is of paramount importance  
Blue glove: Offering traceability for the food industry

### Sectors:

• Automotive • Food Manufacturing and Prep

Code	GL843
Colour	Blue
Sizes	S-L

### Features

Manufactured from: Polyethylene  
Latex free: reducing the risk of hypersensitivity and allergic reactions  
Flexible material: For improved feel and fit reducing fatigue during extended wear  
Bagged: For easy dispensing  
Powder free: Reduces the risk of dust contamination  
Smooth finish

### Sectors:

• Automotive • Food Manufacturing and Prep • Janitorial • Hair and Beauty

Code	GD52

## PCF130BE

2 Ply embossed centrefeed rolls - 130m

### Packing

130 meters per roll / 6 rolls per pack

### Features

Made from 100% recycled paper and packaged in recyclable material  
Disposable product for easy and quick handling, increased hygiene and reduced risk of contamination  
Perforated sheets to allow single sheet dispensing and reduced wastage  
60mm Splitable core to allow pulling the sheets through the centre  
Roll length: 130m  
Sheet width: 180mm

### Sectors:

• Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	PCF130BE
Colour	Blue

## PCF150B & PCF150W

2 Ply plain centrefeed rolls - 150m

### Packing

150 meters per roll / 6 rolls per pack

### Features

Made from 100% recycled paper and packaged in recyclable material  
Disposable product for easy and quick handling, increased hygiene and reduced risk of contamination  
Perforated sheets to allow single sheet dispensing and reduced wastage  
60mm Splitable core to allow pulling the sheets through the centre  
Roll length: 150m  
Sheet width: 195mm

### Sectors:

• Automotive • Engineering and Manufacturing • Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Warehousing, Transport and Logistics • Waste Management and Local authority

## Holders & Dispensers

Hygienic to leave surfaces clear and clean, lightweight and durable, our wide range of holders and dispensers will offer many supporting solutions for our products.

Holders and Dispensers

Page Number  
49 - 51

### GE/04EZ

Single glove box holder

#### Features

Hygienic  
Lightweight and durable made from PVC plastic  
Keeps surfaces clean and clear  
Wall mounted but removable  
Supplied with the necessary fittings

#### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental,  
Pharmaceutical • Hair and Beauty • Warehousing, Transport and  
Logistics • Waste Management and Local authority

Code	GE/04EZ
Colour	White
Sizes	One size

#### Packing

10 pieces per case

### GE/SGD & GE/SSGD

Single glove box holders

#### Features

Hygienic  
Lightweight and durable made from PVC plastic  
Keeps surfaces clean and clear  
Wall mounted but removable  
Supplied with the necessary fittings

#### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental,  
Pharmaceutical • Hair and Beauty • Warehousing, Transport and  
Logistics • Waste Management and Local authority

Code	GE/SGD	GE/SSGD
Colour	Clear	Clear
Sizes	Standard	Small

#### Packing

2 pieces per case

### GE/TGD & GE/STGD

Triple glove box holders

#### Features

Hygienic  
Lightweight and durable made from PVC plastic  
Keeps surfaces clean and clear  
Wall mounted but removable  
Supplied with the necessary fittings

#### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing  
• Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental,  
Pharmaceutical • Hair and Beauty • Warehousing, Transport and  
Logistics • Waste Management and Local authority

Code	GE/TGD	GE/STGD
Colour	Clear	Clear
Sizes	Standard	Small

#### Packing

2 pieces per case

GL9665 & GL9666

Safedon glove box holder

**Packing**  
1 per pack

Features

- Hygienic
- Lightweight and durable made from PVC plastic
- Keeps surfaces clean and clear
- Wall mounted but removable
- Supplied with the necessary fittings

Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing
- Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GL9665	GL9666
Colour	White	White
Sizes	Single	Triple

GE/MGD

Polythene glove box holder

**Packing**  
1 per pack

Features

- Hygienic
- Lightweight and durable made from metal
- Keeps surfaces clean and clear
- Wall mounted but removable
- Supplied with the necessary fittings

Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing
- Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GE/MGD
Colour	Black
Sizes	One size

GE/PARD & GE/16PARD

Rolls dispenser

**Packing**  
1 per pack

Features

- Hygienic
- Lightweight and durable made from PVC plastic
- Keeps surfaces clean and clear
- Wall mounted but removable
- Supplied with the necessary fittings
- Can also dispense bags instead of aprons

Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing
- Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GE/PARD	GE/16PARD
Colour	White	White
Sizes	69cm/27" rolls	76cm/30" rolls

GE/CCD

Coats and coveralls dispensers

**Packing**  
1 per pack

Features

- Hygienic
- Lightweight and durable made from PVC plastic
- Keeps surfaces clean and clear
- Wall mounted but removable
- Supplied with the necessary fittings

Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing
- Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GE/CCD

Sizes	One size

GE/532

Paper Floor Stand

**Packing**  
1 per pack

Features

- Hygienic
- White coated metal to improve strength and longevity
- Keeps surfaces clean and clear

Sectors:

- Automotive • Construction & Utility • Engineering and Manufacturing
- Food Manufacturing and Prep • Janitorial • Medical, Vet, Dental, Pharmaceutical • Hair and Beauty • Warehousing, Transport and Logistics • Waste Management and Local authority

Code	GE/532
Colour	White
Sizes	One size

## Distribution & Accreditation

Our head office site and five distribution centres are situated in Bourne, Lincolnshire, with additional satellite offices located in London. At a combined capacity of over 30,000 pallet spaces the distribution centres enables the capability for growth and a large stock holding. This coupled with the combination of our own vehicles and the services of major transport companies ensures we provide a quick and efficient service to meet the demands of our growing customer base

Strategically positioned for easy access to sea ports and major road networks, the warehouses are also conveniently connected for quick and efficient daily stock transfers.

Our ISO9001 and ISO13485 registrations incorporate our high quality warehouse management system, which allows us to have full traceability throughout the supply process, all the way back to factory raw materials. The accreditation ensures all aspects of the business processes are monitored for quality.

Efficient management of our operations also involves a range of environmentally friendly measures. We have recently obtained ISO14001 Environmental Management Systems accreditation, and ISO 50001 Energy Management System Accreditation.

The above quality ISO registration also covers our comprehensive range of products, ensuring we supply CE marked products manufactured according to the Medical Devices Directive 93/42/EEC the PPE Directive 89/686/EEC and PPE Regulation (EU) 2016/425

This demonstrates that we consistently provide services and products that satisfy customers and fulfil all applicable regulatory requirements. Through these management systems, we aim to focus on the needs of our customers to achieve complete satisfaction.

## Work Faster and Safer with Polyco Healthline

Polyco Healthline gloves are available in a variety of sizes. In order to gain optimum safety, performance and comfort, it is essential that gloves of the correct size are worn. To determine the correct size, please place your hand on the coloured bar as shown.
