Weight, net: 296,4 g
Weight, gross: 326,4 g
Certifications: FSC Mix, Nordic Swan Ecolabel, Food contact materials
Directives, regulations and acts: 1935/2004/EU, 2023/2006/EC, 94/62/EC, BEK 1248 30.10.2018
Product Description: This Nordic Swan Ecolabeled and FSC-certified baking paper has an extra thick silicone treatment on both sides, which is very effective in preventing the baked goods and food products from sticking. The baking paper is free of fluorine, is not bleached with chlorine and is biodegradable. It can be used in baking, storage, and heating of food and is suitable for use in both ordinary ovens and microwaves.
Storage Instructions: Store dry, clean and at room temperature.
Temperature Tolerance: Temperatures ranging from -30 °C to +220 °C.
Safety Instructions and Warnings: The paper is flammable and must not touch the sides of the oven or the heating element. Also note that loose paper in a hot air oven can fly up and hit the heating element.
Product Disposal Instructions: Dispose with household waste.
Packaging Disposal Instructions: Dispose with household waste.
