

Product datasheet

Winner Respirator, FFP2, with adjustable elastic art. no. 1999901562

Description:

Baltic Filtering mask without valve

- Class FFP2 NR
- Two adjustable elastic head bands
- Adjustable nose clip
- Single use, non-sterile

Produced by Winner Medical Co. Ltd.

Application:

The Winner respiratory FFP2 masks are approved for use against Covid-19 and tested according to EN149:2001+A1:2010.

The masks are with two adjustable elastic head bands, for an easy and good fit. The adjustable nose clip ensures a good fit to the wearers face and an excellent seal around the nose. The foam edge under the nose clip ensures a high level of comfort for the user.

Recommended maximum use: 3 hours

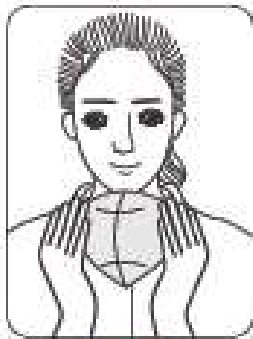

CE

CE-label according to EU Directive for Personal Protective Equipment 89/686/EEC and with EN 149:2001+A1:2010
