Product Description

Abri-Flex Bariatric is our modern pull-up product for people with hip size up to 203 cm, that can be worn like normal underwear for moderate incontinence. The products feature the Top-Dry system for optimum comfort and skin integrity. The soft pull-up pant has a waistband made of multiple strands of elastics which offers a secure and comfortable fit for the active user. The products are also fitted with standing leakage barriers for extra protection. The odor system minimizes unpleasant smells.

Instructions for use/application

Pull-up pant for moderate incontinence that can be worn as normal underwear. Put on the pants as you would underpants, without touching the inside surface of the pad. After use and when changing, tear open the sides of the brief. When both sides of the brief are torn open, roll it up and discard it. Green lycra threads at the waistband indicating the back of the product. Product size recognition by colour codes, names and numbering system on package.
