Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. For more information, go to www.fsc.org.

The Dermatologically Tested symbol guarantees that products have been tested for potential skin irritations by an independent third-party laboratory.

The product is equipped with flexible tape for comfort and leakage security.

The product is fully breathable making it more comfortable for a longer period of time, maintaining skin integrity.

Unique Top-Dry system that provides a rapid absorption and a dry surface even after repeated urination.

The product has a very soft surface for a more comfortable fit.

The product is thin and has a perfect fit.
