Product Description

Abri-Fix Leaf is an elastic fixation pant with legs made of breathable, soft polyamide material fitted with stabilizing zones. The pants look like normal underwear. The elastic material and knitting construction holds both small and large pads tight to the body ensuring leakage security. The seamless knitting technology – an innovative concept in producing clothing almost free of seams - prevents pressure marks and skin irritation. The products can be washed 100 times, therefore have a high cost effectiveness through a longer usage. Abri-Fix Leaf have coloured text representing size, washing instructions and material composition sewn in the waistband.

95% polyamide, 5% elastane
