- ✓ Single packed

Product Description

Abri-Fix Man is a fixation pant with a fly specially developed to male users. Provides a unique fit and discretion. The pants look and feel like normal underwear. The elastic material and knitting construction holds the pad tight to the body ensuring leakage security. The seamless knitting technology – an innovative concept in producing clothing almost free of seams - prevents pressure marks and skin irritation. Abri-Fix Man have product names, washing instructions and material composition mentioned in the waistband for easy product identification.

55% cotton, 40% polyester, 5% elastane
