ABRI•BED

Protective sheet with threads, ABENA Abri-Bed Basic Plus, 2 layers, 210x80cm, white

- ✓ Absorbent material
- ✓ Lightweight and hygienic solution
- ✓ Liquid safe back sheet and sealed sides
- ✓ Reinforced with threads
- ✓ Available in different sizes

Product Description

Abri-Bed Basic Plus protective sheets are used for protection of e.g. beds and couches. The protective sheet has an absorbent surface and a liquid safe back sheet, and the sealed sides provide optimum protection against leakage. The threads make the protective sheet extra strong, making it well-suited to reposition users in the bed. Using disposable protective sheets reduces the risk of contamination and improves hygiene.

Abri-Bed Basic Plus is available in different sizes.

Specifications

Base name	Protective sheet with threads
Brand	ABENA
Sub-brand	Abri-Bed Basic Plus
Color	White
Properties	With 48 threads
Features	Virgin fibers
Single or multiple use	Single use
