### Product Description

ABENA Oil Spray is suitable for use on normal to visibly cracked and dry skin. It contains skin conditioning ingredients to help the skin feel smooth, and leaves a protective barrier on the skin.

The oil spray can help maintain the skin's natural moisture level. Contains vitamin E, which is good for dry skin and known for its antioxidants and healing properties e.g. against sunburn.

Thanks to its spray applicator the oil spray is hygienic, practical and time-saving and can be used for the entire body. The oil is for daily care of the skin and may be used frequently.

The oil spray makes it possible to cleanse very delicate skin, while at the same time providing protection against moisture and bed sores. It can also be used for cleansing when changing dressings and plasters, or as a massage oil.

Apply by using the spray function. Dosage according to need. This product should only be used externally on the body. Avoid contact with eyes.
