Product Description

Abri-Fix Pants Super is an elastic fixation pant with leg made of breathable, soft material following the anatomic shape of the body. The pants look and feel like normal underwear. The elastic material and knitting construction holds the pads tight to the body ensuring leakage security. It offers optimal performance for all activity and mobility levels. The seamless knitting technology – an innovative concept in producing clothing almost free of seams – prevents pressure marks and skin irritation. The products can be washed 100 times, therefore have a high cost effectiveness through a longer usage. Abri-Fix Pants Super have colour coded waistbands representing size; together with product name, washing instructions and material composition. _x000D_ _x000D_ 97% polyester, 3% elastane
