Product Description

Abri-Fix Net is a unisex thin mesh fixation pant for multiple usage. Mesh knitting technology is based on warp knitting, a method where the yarn is knitted in zig-zag stitches along the length of the fabric. Abri-Fix Net pants are provided with horizontal stabilizing zones, ideal to also hold larger pads securely in place. Although the light construction mesh product products are durable in wear and care situations. Abri-Fix Net pants have colour code waistbands, representing size for easy product identification. _x000D_ _x000D_ 87% polyester, 13% elastane
