CAT 1

# Latex Household Gloves

## Standards

---

EN 420

Foodsafe according to directive 1935/2004/EU

## Packing

---

1 pair in a bag

144 pairs/carton

18 carton/pallet

## Physical properties

---

Elongation at break

Before strain

min. 650%

After strain testing

min. 550%

## Thickness

---

Palm Min. 0,30 (+/- 0,02 mm)

Weight 40 g (+/- 2 g)

| Size    | Article | Int. Size | Thickness, mm (+/-2) | Palm width, mm (+/- 5 mm) | Length, mm (+/- 10) |
|---------|---------|-----------|----------------------|---------------------------|---------------------|
| Small   | 490189  | 6-6½      | 0,30 mm              | 95                        | 300                 |
| Medium  | 490190  | 7-7½      | 0,30 mm              | 100                       | 300                 |
| Large   | 490191  | 8-8½      | 0,30 mm              | 115                       | 300                 |
| X-Large | 490192  | 9-9½      | 0,30 mm              | 120                       | 300                 |
