# 343 Sani-Max™

Cleans and sanitizes shoes

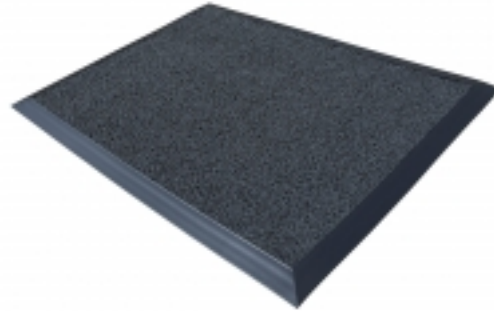

# Ergonomic, Anti-fatigue & Safety Matting - Food Processing and Food Service Matting

## 343 Sani-Max™

Cleans and sanitizes shoes. As traffic passes, vinyl loops bend under pressure to immerse soles in a disinfectant solution. Vinyl loops scrape dirt and provide automatic scrubbing action that dislodges contaminants from footwear.

- Fine coils (strand diameter 0.35 mm) of extruded 100% PVC
- Holds disinfectant to clean and sanitize shoes
- Flexible vinyl coils provide scrubbing action to dislodge contaminants from footwear
- Oil resistant

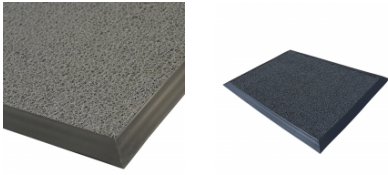

### Recommended use

- Wet/Dry and Oily Areas
- Food processing, professional kitchens, cooking lines, food preparation areas, bars and cleaning areas
- Medium traffic

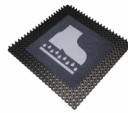

# Sani-Max™ Charcoal
