

RX Series

Hand hygiene made easy

RX Series - Hand hygiene made easy

Manual or touchless – the new RX dispenser line is a flexible and economical range for any medical setting. Whether you're looking for a dispenser for intensive care units or the hospital lobby, the RX series offers wall mounting, countertop/trolley (only RX 5 T), or hygiene stand solutions - enabling proper hand hygiene in every location. With a robust plastic housing, **compatibility with disposable hygiene pumps and packaging (conforming with the latest hygiene regulations and standards)**, and optional hygiene station accessories, this dispenser series offers everything you need for a complete hygiene solution.
