

WC liquid

Toilet bowl cleaner with ocean-fresh fragrance

- Safe application
- Easy-to-use
- Viscous consistency

Product profile

- WC liquid is an acid toilet bowl cleaner, which effectively uses the natural citric acid.
- WC liquid shows an optimum cleaning performance. Due to its viscous formula and cleaning performance it removes all common soils from urinals and toilet bowls.
- The special bottle with an angled neck assures a fast, direct, easy and safe application.

Area of application

- WC liquid is suitable for the cleaning of all toilet bowls, urinals and bidet facilities made of ceramic. Not suitable for acid-sensitive surfaces such as marble, lime stone, enamel (especially zircon enamel), acid-sensitive plastic toilet seats and lids as well as acid-sensitive wall and/or floor tiles.

Ingredient declaration
