

SANET spray

Ready-to-use sanitary maintenance cleaner

- Attractive scent ■ Versatile ■ High performance

Product profile

- SANET spray is a high-performing and ready-to-use cleaner for the removal of all common soilings in the sanitary areas, e.g. lime scale, lime soap, greasy and cosmetic residues.
- After using SANET spray, sanitary surfaces are restored to their original shine.
- Thanks to the intensive and characteristic scent, SANET spray leaves a long-lasting and clean smell.
- SANET spray is simple in application, saves time and costs and protects the materials.

Area of application

- The environmentally friendly and effective composition of SANET spray allows it to be used safely throughout the entire bath and sanitary area, for example in hotels, office buildings, public and private facilities. SANET spray is ideally suitable for daily maintenance cleaning of wash basins, fittings, tiles, ceramics, showers etc.
- Do not use on materials sensitive to acids such as marble.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

Sanitary Cleaning:
Spray onto clean cloth, wipe the surface and rinse.

Descaling, persistent soil: Leave the solution for a few minutes. Rinse with clear water.

Ingredient declaration
