## Tork Metal Mini Centrefeed Dispenser

The Tork® Mini Centrefeed dispenser in stainless steel is a compact versatile solution for professional environments where both hand and surface wiping are required. Wipe surfaces quickly, due to the unrestricted flow feature that allows users to take as much as their task needs. Metal dispensers have a functional design for tough environments.

- Improve overall hygiene due to easy cleaning
- Versatile lock mechanism helps control misuse
- Robust metal construction ideal for more challenging environments
- One hand operation makes it easy to use
- Free flow dispensing for flexibility and cross contamination control

Think ahead.
