Product Description	The stylish EcoShell™ universal air freshener is a non-aerosol scent solution that brings a variety of locations 'out of their shell'. Using our revolutionary <i>Clip and go, clip and throw™</i> design, the EcoShell™ air freshener can be easily replaced using just one fitting. The 'shell' shaped design also provides a high quality appearance for a variety of locations and uses.
Feature(s) and Benefit(s)	<ul style="list-style-type: none"> ■ Stylish "shell" shaped design, giving a high quality look for any establishment. ■ Large internal surface area for quality fragrance throughout the area. ■ Curved vents and internal slats for optimum scent delivery and better distribution of fragrance. ■ Can be fitted to almost any surface using one of two fixings (Both fixings provided for choice). ■ "Clip and go, clip and throw™" design – once you have used one dispenser and refill you can replace with a brand new dispenser and refill using the same fixing. ■ High quality perfumes. ■ Child resistant fragrance core – no small fragrance parts such as beads or liquids which can be a choking hazard. ■ Simple to install and no difficult programme settings. ■ Fully recyclable. ■ Economical to run. No batteries or propellants, just natural airflow. ■ Inner core in multiple shades for fragrance identification.

	<ul style="list-style-type: none"> Can be used in a variety of different applications, such as hotel bedrooms, air conditioning vents, lifts, offices etc.
