

547140

Dry 24, Hook & loop, 40 cm,  
Grey

Ideal for dust sweeping all types of hard, flat floors where dry mopping may replace damp or wet mopping. The micro fibres pick up dust, dirt and hairs using static electricity and is ideal for use in corridors and other high traffic areas.

Wash the products as soon as possible after use - to reduce the risk that dirt becomes ingrained with stains and odors as result.

Wash cloths and mops of various types separately, to avoid contaminating each other with lint.

Pre-rinse in cold water with frequent water change, no added chemicals - in order to remove any chemicals that can have been used for cleaning and may interfere with or cause a negative impact on the fabric at higher temperatures in the washing process
