

FANG 24T/26T/28T

Boost your cleaning

- powerful and tough scrubber dryer

PART OF THE NILFISK GROUP

Durable and high capacity cleaning

www.vipercleaning.com / hello@vipercleaning.com

The Viper FANG24T/26T/28T is designed for scrubbing and drying in tough and dirty environments. With variable scrub pressures for adjusting to different cleaning needs and extra tough cleaning challenges. The big tank capacity and long battery run time makes it possible to clean for hours.

- Optimal performance and consistent cleaning results on any hard floor surface
- Highly maneuverable design
- Robust and durable for tough applications

Intuitive and easy-to-use control panel with brush pressure display

Heavy duty squeegee with turnable blades

Brush pressure up to 68 kg for extra tough cleaning situations
